13 Bedroom, 17.00 Bathroom, 13,967 sqft
Residential on 5 Acres

Jupiter Island, Hobe Sound, FL

Perched on over 5 acres of prime oceanfront land on Jupiter Island and hidden behind a veil of towering palm trees and perfectly manicured lawns, lies a marriage of five meticulously crafted buildings. The natural elevation of this grand property allows for unobstructed views of 262 feet of private, pristine beach. Entering the two-story iron gates, one comes upon the majestic main Villa, notably inspired by 12th century Italian design. Guests are invited to find solitude in one of three enchanting Tower Apartments, or in the stately Guesthouse by the beach. Follow a flower lined descending path featuring a cascading fountain and mosaic pool, and you'll find a wellness oasis complete with steam room, sauna, and Turkish bath. Dozens more water features and statues are strategically placed around the planned grounds, where entertaining takes center stage and continues onto the beach. A separate service entrance leads to the staff quarters of seven bedrooms with a six-car garage and motor court. Enjoy this crown jewel of Jupiter Island, or build a new compound on one of the largest oceanfront settings in South Florida, with a buildable area of over 25,000sf.
